

Coventry Building Society Availability & Performance Statistics

1 January 2026 to 31 March 2026

Here you can find out about the availability and performance of our Online Services, mobile App and our dedicated interface. These are reported and published online quarterly.

This report shows the availability of service via both our Online Services, the App and our dedicated interface.

Where there are zeros for the service response times, it means that the service wasn't used by third party providers.

All together, better

The percentage of uptime is 100% minus the percentage of downtime.
